

Welcome To A greenSpan

TAKE A LOOK AT THE NEW LAWS THAT ARE EFFECTING YOU: [Computer Recycling Laws](#)

A greenSpan Computer Recycling, Inc. is a fast growing, innovative computer and electronic recycling company now offering individuals, businesses and governmental departments an efficient, cost - effective solution to the problems inherent in disposal of electronic equipment such as computers and their peripherals.

If your business or agency is preparing to update its IT system, or if you have substantial inventory of older or unused computer equipment, A greenSpan offers you a modern, environmentally sound methodology of disposal for computers and other electronics. We offer you the opportunity to move on with your business protocols as we assume the responsibility of your unwanted equipment. We offer asset recovery for newer equipment which can help mitigate the cost of legitimate recycling. CAUTION - BEWARE OF "RECYCLERS" THAT OFFER NO CHARGE RECYCLING - CAUTION Read The Myth of No Charge Recycling Here .
